

Yoni Jesner Scholarships

Yoni Jesner Scholarships are awarded to exceptional individuals who can demonstrate a special kind of activism within their community and evidence of excellence. We are looking for outstanding young people who, like Yoni, combine a love of humanity, a passion for Judaism and commitment to Israel with an open-minded and tolerant outlook.

Scholarships will be provided for year-long structured educational programmes at yeshiva/seminary or on a Bnei Akiva programme that may include Jewish studies, study of Israel and culture and working with local communities.

The scholarships are awarded on merit rather than needs based. Yoni Jesner Scholarships are only awarded to students living in the UK.
