

## Yoni Jesner Scholarships

Yoni Jesner Scholarships are awarded to exceptional individuals who can demonstrate a special kind of activism within their community and evidence of excellence. We are looking for outstanding young people who, like Yoni, combine a love of humanity, a passion for Judaism and commitment to Israel with an open-minded and tolerant outlook.

Scholarships will be provided for year-long structured educational programmes at yeshiva/seminary or on a Bnei Akiva programme that may include Jewish studies, study of Israel and culture and working with local communities.

**The scholarships are awarded on merit rather than needs based. Yoni Jesner Scholarships are only awarded to students living in the UK.**

Prospective Yoni Jesner Scholars must be nominated by third parties such as rabbis, teachers, youth leaders etc, not by family members. The nominator must complete this nomination form by 25<sup>th</sup> January 2019. Selected nominees will be asked to complete an [application form](#). A short list of nominees will be invited to attend interviews and then a decision will follow on awarding the Yoni Jesner Scholarships.
